all as America.

Now we come to the third restraint, that put upon us by others. People speak of political liberty, but do we have it? I think not. There are however a group of liberties gained through experience and bloodshed which are classed under the head of liberty? But no mind is great enough to plan absolute liberty for everyone. Only experience can teach us these for no human mind can tell how the people of a country will act under changed conditions.

The only test of government is experienced.

The only test of government is experi-ence. This fact is demonstrated in English history. First we find the framing of the Magna Charta than other It seems diffing that we should present of Old Glory to you men, for we realize you have made it possible for us to live in a possible for the matiens of the world will live in present and harmony and that Old Glory will be to make and harmony and that Old Glory will be to come. The Woman's Relife corps with the years to come. The Woman's Relife corps with the years to come. The Woman's Relife corps with the years to come. The Woman's Relife corps with the years to come. PLAN PROPOSED TO

REDISTRICT THE CITY This evening there is to be a center-This evening there is to be a centerence of the court of common council in
the office of Major H. M. Lerou to
consider several important city matters that should be brought before the
state legislature at its next session.

One of the most important subjects
that will be considered at tonights meeting will be the proposed plan of reristricting the city of Norwich and the locating of new polling pasces. The last
election showed the urgent need of such
legislation as to allow this change.

election showed the urgent need of such legislation as to allow this change.

With the addition of 4000 women veters the polling places have become congested on election day and it is hoped that with Norwich relistricted that the large, number of voters can be more easily handled. The Central district is the one in which the most congestion is found and the pisna that will be formulated tonight will probably mean the splitting up of this district with the Falls section and part of the city forming one district and the Laurel Hill section and another part of the city forming one district and the Laurel Hill section and part of the city forming one district and the Laurel Hill section and part of the city forming one district and the Laurel Hill section and part of the city forming one district and the Laurel Hill section and part of the city forming one district and the Laurel Hill section and part of the city forming one district and the Laurel Hill section and part of the city forming one district and the Laurel Hill section and part of the city forming one district and the Laurel Hill section and part of the city forming another.
